An application to effect any change of address or location that warrants movement of the current domicile to another should be forwarded to the QCTO before moving. Training learners after relocating to new premises without the revised accreditation letter is against [QCTO policy](#), and learner training and results will not be considered for the Occupation(s) / Trade(s) in such a case.

Your institution should submit learner information data quarterly to the QCTO per the load specifications provided by the QCTO. Ensure you reference the accreditation number when submitting your electronic data files to the QCTO during your data load cycles where applicable.

QCTO and its quality partners will occasionally send forms and documents that need to be filled out and complied with, as per the [QCTO policies](#). Ensure that you comply with the [National Qualification Framework Amendment Act 12 of 2019](#), with a specific focus on section 32B, amongst others.

Quality Assurance representatives from the QCTO, NAMB, SETA or QCTO Quality Partners (QP) will from time to time, visit the institution without any prior notice and conduct quality assurance audits.

Qualification documents, supporting curriculum documents, and [policies](#) can be found at <https://www.qcto.org.za/> and <https://www.sqa.org.za/>.

Period of Accreditation: 5 Years, or until the expiry of the qualification or de-accreditation, whichever comes first.
